"The security provisions provide for Congress to vote exceptional powers to the Directorate in the event of demonstrable security demands, and for the Directorate to delegate extraordinary duties to the chief executive once they are voted that power. They do not provide for the chief executive to assume such duties for himself, and therefore neither can he do so for his successor.".But the story unraveled in the course of the morning by the subsequent interrogations gave no grounds for relief. Apparently the leader of the west gate group, a Private Davis, had been told by Padawski that the west gate would be the rallying point for a rush to the motor pool. Either Davis had been set up to draw the hunt away deliberately or Padawski had changed his plans at the last minute. Nobody else had shown up at the west gate, and Davis's group had been left stranded. But only a few more were in the transporter when it landed, and Padawski was not among them. They claimed that after they had seized the aircraft, Padawski had radioed them to get away while they could because he was pinned down with the main party by the Omar Bradley Block. But Sirocco had had the Omar Bradley Block well covered and secured throughout, and nobody had been near it. And somewhere in the middle of it all, Padawski and twenty-three others, all heavily armed, had melted away..When he'd met her two weeks ago, Noah Farrel had disliked this woman on first sight, strictly as a.Trademark Office and in other countries. "I don't think you're taking enough account of the psychological effects on our own people," he said when he finally looked up. "Morale is high now that we're nearly there, and I don't want to spoil it. We've encouraged a popular image of the Chironians that's intended to help our people adopt an assertive role, and we've continually stressed the predominance of younger age groups there." He shook his head. "Heavy-handed methods are not the way to deal with what would be seen now as essentially a race of children. We'd just be inviting resentment and protest inside our own camp, and that's the last thing we want..control himself and to leave the grieving for safer times.." "We don't get a lot of those," Nanook told them again. "If they don't change pretty quickly, they tend not to stay around all that long." uanita looked from Bernard to Jay. "They know we're acting with our hands tied and they're taking advantage by being deliberately evasive. The only way we'll get anywhere is if you allow us to get tougher." "You do. Don't you like it when your team wins in the Bowl? Why do you work hard at school? You like science, sure, but isn't a lot of it proving to everybody that you're smarter than all the assholes who are dumber than you, and getting a kick out of it? Be honest. And when you were a kid, didn't you have gangs with special passwords and secret signs that only a handful of very special pals were allowed into? I bet you did." At the top is a short hallway. Four doors.. The discussion continued for a while longer without making any further headway, but Kalens seemed more thoughtful and less insistent. Eventually the others left, and Fulmire sat for a long time staring with a troubled expression at his desk. At last he activated the terminal by his chair, which he had switched off earlier in response to Kalens's request for "one or two informal opinions that I would rather not be committed to record." Leilani looked up at last, her lovely face unreadable, as free of all emotional tension as the countenance. been reduced to a cloud of radioactive dust.. "So-o-o-o?". "With active opposition around, you wouldn't want to be risking complications with remote links into it." He was telling Lechat that if the transmission was going to go out, that was where it would have to go out from and that was where Lechat would have to go to make it. But more to the point, as Lechat well knew, Bernard was saying that Celia would have to go there too; what she had to say couldn't come second-hand through anybody else.. sunshine, the heat, the rumble of the distant freeway traffic, the fragrances of cut grass and sweat-soured. "Major Lesley calling from the nose, sir-". weren't in the business. Wives and children were untouchable. And sisters.. "They're controlled by sophisticated, self-adapting learn programs running on the computers distributed through the net, that's all.
